

Wildcats Youth Hockey Learn to Skate / Play Program

Are you interested in introducing your 4 - 10 year old child to skating and the sport of ice hockey? If so, the Learn to Play / Skate Program is ideal. This program runs 9 weeks each session for 45 minutes per week and familiarizes your child to the fundamentals of skating in a safe and fun-filled environment.

The Wildcats Youth Hockey Association provides boys and girls in Waunakee, Deforest, Lodi, Dane, Poynette, and surrounding communities an opportunity to participate in the sport of youth hockey. The club has been in existence for more than 20 years. We are the youth hockey feeder program for the Deforest and Waunakee High School hockey programs. We've hired a coach, Heather Irwin, who played youth hockey for the Madison Patriots and Capitals, high school hockey at Madison East and college hockey at UW-Eau Claire. She has a great rapport with children and is passionate about hockey. Supporting her will be Wildcat coaches plus local high school players.
