

Wildcats Youth Hockey Learn to Skate Program

Are you interested in introducing your 4 - 10 year old child to skating and the sport of ice hockey? If so, the Learn to Skate Program is ideal. This program runs 9 weeks each session for 1 hour per week and familiarizes your child to the fundamentals of skating in a safe and fun-filled environment. To kick off our session will be having a family skate or open house on October 8th at 12 noon. Bring the whole family, all you need are skates and a helmet, either hockey or bike helmet to start.

The Wildcats Youth Hockey Association provides boys and girls in Waunakee, Deforest, Lodi, Dane, Poynette, and surrounding communities an opportunity to participate in the sport of youth hockey. The club has been in existence for more than 20 years. We are the youth hockey feeder program for the Deforest and Waunakee High School hockey programs. We've hired the Capitol Skating School, again this year to teach our kids at this level. They have a great rapport with children and are passionate about skating.
